

Dear Parents,

We are having a KidsKards fundraiser! KidsKards is a professional fundraising program that specializes in the personalized printing of children's artwork onto note cards.

KidsKards note cards feature a full-color print of your child's artwork on the front and their name and age/grade on the back of each card. The note cards are 4"x5½" and are printed on high quality card stock. Each shrink-wrapped package includes 20 cards with envelopes.

KidsKards note cards make great gifts for relatives or you can send them to friends and family to show off your child's artwork. Imagine your child's artwork turned into beautiful thank you, birthday, and holiday cards!

In addition to raising money, a KidsKards fundraiser is a self-esteem booster for our children. Children feel a great sense of pride when they see their creations turned into a professionally produced product.

Please fill out the order form today and return it along with your check.

Thank you for participating in our fundraiser!
