

Dear Parents,

We are working with KidsKards to have a school fundraiser! KidsKards is a professional fundraising organization that specializes in printing children's artwork onto premium note cards.

The front of each note card features a full-color print of your child's artwork and their name and age/grade appear on the back. They are printed on high quality card stock, and the inside is blank so that they can be used for any occasion. Each shrink-wrapped package includes 20 cards with envelopes.

KidsKards note cards make great gifts for grandparents or other relatives, or you can use them yourself to send to friends and family as beautiful thank you, birthday, and holiday cards!

Also, **new this year**, you have the option of ordering a **Digital File Add-On**. This is a professionally scanned and prepared, high resolution, digital version of your child's artwork. It is in JPG format, perfect for using as a screen saver, posting to social media, or simply storing for years to come.

In addition to raising money, this KidsKards fundraiser is a wonderful self-esteem booster for your child. Children feel a great sense of pride when they see their creations turned into a professionally produced product.

Please fill out the order form today and return it along with your check.

Thank you for participating in our fundraiser!
